Sara –

On page one of the FLOCK Agreement, I noticed they removed the language below in red. I believe some of the cameras are in fact, adjacent to HA property, rather than on their property. I recommend the language be kept.

Now, therefore, the Parties agree as follows:

1. The term of this Addendum is 2 years from the effective date. Thereafter, the Addendum shall renew automatically on an annual basis unless terminated by either party as set forth herein.

2. The City shall contract directly with Flock to furnish and supply LPR camera equipment, installation, storage, maintenance, and software to support this request.

3. The City will have sole access to the data produced by the LPR cameras to be used to aid criminal investigations and satisfy requests for information as required by law. Housing Authority shall not be entitled to any special access to the LPR camera data beyond that available to the general public.

4. The Housing Authority agrees to fully reimburse the City for any and all costs incurred for installation, annual service, early termination fees, or any other fees billed to the City by Flock for the LPR cameras placed on OR ADJACENT TO the Housing Authority's properties.

Hello,

Please see attached our proposed revisions to the agreement and addendum, in clean and redline.

Let me know if you have any comments or questions. We will also need to prepare an addendum for the substation services, but it seemed most efficient to finalize the base agreement and LPR cameras addendum first, and then we can proceed with the substation addendum.

Thank you,
Cameron

Cameron –

We will send a copy of the proposed agreement once it is ready for review. I think we are close, hopefully in the next week or two. I will let you know.

Thank you,

Dan

Dear Commander Cohen,

This firm serves as general counsel for the Housing Authority of the County of Santa Barbara (HASBARCO). Sanford Riggs asked that I reach out to you with respect to the pending transaction with Flock Safety ("Flock"), whereby Flock will install cameras on HASBARCO properties to be utilized by your department pursuant to new or existing contracts between Flock and the City, with HASBARCO to pay the bills. I understand the City Attorney is in the process of drafting an agreement to document this transaction, and HASBARCO would like me to review and comment when it is ready. At your convenience, please forward the agreement when it is ready. If it is easier, please put me in touch with the City Attorney so that we can discuss directly.

Thank you for your time.

Best,
Cameron
